Following are preliminary comments URTEL 351.

Department questions desirability propriety
Re paragraph 1/XXXXXXXXXXXXXXXXXXXX name since notes on aid speak
of "economic development" while "reconstruction" may suggest duty repair
war damages. Presumably you airpouching reasons for choice.

Re paragraph 3. Position American members in preparing plans for
future assistance should avoid implication U. S. Government committed
provide additional assistance.

Re paragraph 6 Treasury desires that account with Secretary of
Treasury not repeat not be used as an active working balance of Commission
and that drawings be made only in fairly large amounts i.e. to cover
three or four months' requirements. Accordingly suggest creation
subsidiary working balance account with U. S. commercial bank. Airgram
on mechanics withdrawal follows.
